MISTY RAIN

cf.

Dodo bird appears in Chapter 3 "A Caucus Race and a Long Tale" of [Alice in Wonderland].

Dodo bird suggests doing a "caucus race" to dry their clothes, and says that all participating animals are winners.

As the prize, he gives out the cookie that was in Alice's pocket and gives Alice the thimble he gets from Alice.

Dodo: Is there anything else in your pocket?
Alice: I only have a thimble.
Dodo: Give it here.
I hope you will take this beautiful thimble.

Meanwhile, John Tenniel drew a hand under the Dodo bird's small wings so he can take the thimble.
